Hotel arrangements are at the Holiday Inn Downtown, a nearby facility with free shuttle transportation before and after each day of the meeting. It is our goal to provide you with the same excellent level of education you've come to expect from the ISRT but at a greatly reduced price. For maps and further information, please visit our new website at isrt.org.**

Below is a map of the IMMC Campus. You will find that the Visitor Parking Ramp is located in the SW side of the Campus. Upon entering the ramp off of Pleasant Street, head towards the back SE side of the ramp on the same

level you entered. On the map below there is a **S**, that is approximately where you will find the elevator to take to level "G", and straight off the elevator you will see the registration area for the Meeting.
